### Message:

Dear Ms. Koontz,  
Further to my phone call with you earlier today, I am herewith forwarding the required notices. As you suggested, I called Customer Service for the outstanding serial numbers, but the time since mailing is too short and no numbers are available at this time. I have indicated the missing serial numbers and actual filing dates for some of the notices, and I will supply those to your attention as soon as they are available.

I wanted to be sure that I file my notices in the prescribed time period.

Thank you very much for your assistance.
